

Lancaster General Hospital School of Nursing Class of 1982 ~ 40th Reunion

It's hard to imagine, but it has been 40 years since we graduated from Lancaster General Hospital School of Nursing! Let's get together and celebrate four decades of sisterhood on **Saturday, September 24, 2022 at 11 am!**

- Starting with brunch, talk with current students and faculty about much things have changed...and how much things have stayed the same...since our student days.
- Take a tour of the new PA College campus, completed in 2016, and marvel at the hands-on learning opportunities available in the Center for Excellence in Practice.
- Capture your student nursing memories through recorded oral histories that will be archived and shared with generations to come.
- Enjoy a leisurely afternoon, spending precious time together as we celebrate 40+ years together. Bring your yearbooks, scrapbooks and family photos to share sweet memories!

Look for your registration packet in the mail in August!
